personal details

As an interested party, customer, member and e-news subscriber of sellandbuycapacity.com, you provide us with personal data via Internet, post or telephone, which we store in our internal and self-administered address database for the purpose of processing your information request. To give you an idea of the impact of your membership, we regularly inform you about our work. We will adapt to your request at any time and change your contact details, reduce the method of delivery or block your address so that you do not receive any further mailings.

The protection of your personal data is very important to us and therefore a matter for all employees of sellandbuycapacity.com. This includes paid employees as well as volunteers (board, professional groups). sellandbuycapacity.com does not deal with addresses, does not rent or sell personal data and complies with the applicable data protection regulations, in particular Swiss data protection legislation.

user statistics

We are constantly improving our website to adapt it to the needs of sellandbuycapacity.com users. To this end, we collect statistical data using services such as Google Analytics. The data is not used to personally identify visitors to our website. If you do not want your access to www.sellandbuycapacity.com to be evaluated by the service, you can block cookies by making the appropriate settings in your browser.

Google obliges us to reproduce the following statement:

"This website uses Google Analytics, a web analysis service of Google Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties if this is required by law or if third parties process this data on behalf of Google. Under no circumstances will Google associate your IP address with other Google data. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above."
